

# Project Alpha: Quarterly Strategic Sync: Chair's Agenda

Saturday February 14th, 2026

**Invited:** ☐ Alice Smith, ☐ Bob Jones, ☐ Charlie Davis, ☐ Joe Bloggs

## 1 System Architecture

- Review of the proposed data pipeline migration

### Chair Notes

- Does the proposed latency meet the 2026 standards?

## 2 User Engagement & Analytics

- Discussion on the "precise questioning" approach suggested by Joe

### Chair Notes

- Summarise the points that Joe made last week
- Are the questions providing qualitative or quantitative value?

## 3 Logistics

- Tooling and internal communication

## 4 Closing

- Next steps and scheduling
